

FREE JOCK PALFREEMAN

Jock is a 23 year old Australian who, on the 27 December 2007, had the courage to stand up against 16 Nazis on a night out in Sofia, Bulgaria. Jock has since been tried and sentenced for murder and attempted murder. He has been sentenced to 20 years imprisonment and has been fined 375,000 Australian dollars. Jock has spent much of the time he has already served in isolation due to a legal loop hole used by the prison authorities.

Prior to this, Jock had lived, and been active, in Bristol for a while. He now needs your support – he has an appeal on 21 October against his sentence, and it could be his last chance to get out for many a year. So we need to increase, and keep up, the pressure on the Bulgarian authorities.
