[HTTP://BRISTOLABC.WORDPRESS.COM](http://bristolabc.wordpress.com)

PLEASE NOTE: The listing of any prisoner or activities on this list is for info purposes only, and should not be construed by any state organisation or others as representing our active support for their actions or those activities. Bristol ABC believes everyone can make up their own mind, and every prisoner benefits from external contact.

ABOUT THIS LIST: This list is compiled from various sources, and every prisoner on it is believed to welcome political support. We try very hard to keep this list up to date and correct, but cannot guarantee it is 100% correct, nor that every prisoner welcoming support is included. Corrections and further info is welcomed if you have it.

NOTES ON WRITING:

- *always put a return name and address on your envelope and your letter/card.*
- *for UK prisoners always include their name & prison number on envelope and each sheet or paper/item in it. Enclose an SAE if you'd like a reply, as prisoners have limited resources & access to stamps.*
- *your letter will be read by prison authorities so avoid provocative images, slogans, text and anything that may cause trouble for the prisoner.*
- *do not send books or other items without checking with prisoner first.*

ITALY (More info: http://www.informa-azione.info/indirizzi_detenuti)

***Il Silvestre* prisoners**

Il Silvestre is an eco-anarchist organisation originally based in a social centre in Pisa, Tuscany. They publish a radical ecologist magazine called *Terra Selvaggia* (Wild Earth). They have been under attack for quite a few years now, since they received and published a communiqué written by another anarchist group called COR (*Cellule di Offensiva Rivoluzionaria*: Revolutionary Offensive Cells) in 2006. Since then many of the people involved have been arrested, mainly for terrorism and subversive association charges.

Leonardo Landi, Casa di Reclusione, Via Casale 50/a, 15040 San Michele (AL), Italy. Leonardo was arrested in November 2009. He had been on the run since May 2008. The police had issued an international warrant for robbery and subversive association against him and others. He's been found guilty of robbery and sentenced to 6 years in July 2010, however he's been acquitted of the charge of subversive association.

Alessandro Settepani, Casa di Reclusione, Via Casale 50/a, 15040 San Michele (AL), Italy. Arrested in early July 2009 after a night of police raids all over Italy (about 40) under article 270 bis of the Italian criminal code (related to "subversive association"). Alessandro and others were accused of attempted sabotage of the railway line Orte-Ancona, car theft and subversive association.

William Frediani, Casa di Reclusione, Strada Casale 50/A, 15040 San Michele (AL), Italy. Arrested in 2004. Accused of being a member of the COR (Revolutionary Offensive Cells, see above). Costa, Silvia and Billy are eco-anarchists linked to the Italian group *Il Silvestre* and to the Swiss eco-anarchist prisoner Marco Camenisch. All mail is translated by the state into German and censored, so don't send anything overtly political or they may not get it.
